Dear Commissioner Welsh:

Application is hereby made on behalf of **BP AMERICA PRODUCTION COMPANY** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Hosston Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, for which rules and regulations were established and drilling and production units were created for the exploration for and production of gas and condensate by the 28-R and 28-S Series of Office of Conservation Orders, including the unit designated HOSS RA SULL:

1. To permit BP America Production Company to drill, designate and utilize its Averett No. 1 Well as alternate unit well for the HOSS RA SULL, in the Logansport Field, DeSoto Parish,

4. Except to the extent herein designated, to continue in full force and effect the provisions of the 28-R and 28-S Series of Office of Conservation Orders, the units created thereby, and applicable Statewide Orders.

5. To consider such other matters as may be pertinent.

The Hosston Zone, Reservoir A, in the Logansport Field, DeSoto Parish, Louisiana, was previously defined in Office of Conservation Order No. 28-S, effective April 21, 1970.

The proposed alternate unit well, in conjunction with the existing unit well and alternate unit wells for said unit, is necessary to efficiently and economically drain the reserves underlying those portions of the reservoir covered by the unit, will not adversely affect the adjacent offsetting units, and is needed to satisfy the market demand for gas and condensate from the field. Therefore, the applicant is requesting permission to drill, designate and utilize the aforementioned well as alternate unit well for the HOSS RA SULL.

Attached hereto and made a part hereof are a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Represented Parties and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished only to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed herewith is our check on behalf of the applicant made payable to the Office of Conservation in the amount of \$755.00 representing the required hearing application fee.

Very truly yours,

Richard W. Revels, Jr.
